DETAILED ACTION

Applicant's response of 1/17/08 is acknowledged.

Election/Restrictions

Applicant's election without traverse of Group I, claims 1-7, as drawn to a peptide consisting of SEQ ID NO: 1, in the reply filed on 2/28/07 is acknowledged. Claims 2, 4-5, and 8-13 are withdrawn from consideration as being drawn to non-elected subject matter (claims 14-25 were previously cancelled by amendment on 1/31/05). Claims 1, 3, and 6-7 are examined on the merits as being drawn to the elected peptide consisting of SEQ ID NO: 7.

Claim Objections

Claims objected to because of the following informalities: The claims have not been amended commensurate in scope with the elected invention.

The prior art of record was not found to reasonably teach or suggest the artificial sequence of SEQ ID NO: 1. Were the claims amended commensurate in scope with the elected invention (e.g. "an isolated peptide consisting of SEQ ID NO: 1 which binds . . .), the claims would likely receive favorable consideration. Claims 6-7 may be cancelled without prejudice, since amendment to elected SEQ ID NO: 1 would not further limit base claim 1.

A call was made to Applicant seeking an Examiner's Amendment authorization to amend the claims to the elected invention, to which Applicant's Representative, Norman Hanson, telephoned on 5/11/08 to decline. Thus, the action is sent with only this matter outstanding.

Appropriate correction is required.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

No claims are allowed.
